

Commercial Real Estate Certificate

A graduate-level executive education program

Commercial Real Estate Fundamentals

Foundational courses in commercial real estate are designed to help you transition or advance your career in real estate. Each course can be taken independently to enhance your knowledge or combined to earn a certificate of completion.

Benefits

- CEUs available for Colorado residents
- Discounts available when you register for all three courses and for bulk registration
- Learn from distinguished faculty at Colorado's top business school

Courses

**Fundamentals of
Commercial Real Estate**
Sept. 14 – Oct. 26

**Real Estate Finance for
Non-Finance Professionals**
Nov. 1 – Dec. 6

**Real Estate Law
for Non-Lawyers**
Jan. 17 – Feb. 28

Format

Courses are delivered fully online and run one day a week for two hours in the evening. Our programs offer live interaction with University of Colorado Boulder faculty and industry subject matter experts and offer an opportunity to build your peer network.

Takeaways

You will develop:

- An invaluable set of skills to fast-track your professional advancement in real estate.
- A network of emerging business professionals and established real estate leaders.
- A forward-looking perspective to equip you for the challenges facing real estate professionals in the future.

Don't miss out!

Registration for this program is opening soon. Contact Madison.Gross@colorado.edu for priority access when deadlines are announced.

Don't Just Learn it. Lead it.

Grab hold of your dream career
with a degree from Leeds.
