

Re: All-gender/Gender-neutral restroom signage

In collaboration with the Chancellor’s Standing Committee on Gender & Sexuality, the following sign standards for All-gender or Gender-neutral restrooms were developed. There was agreement that text should preferably be limited to “RESTROOM” only, as “GENDER NEUTRAL RESTROOM” or “ALL GENDER RESTROOM” are another form of label that are ultimately to be avoided. The pictogram of a water closet or toilet is preferable to many of the current signs attempting to depict multiple genders.
