Spring 2025
Call for Graders & Course Assistants

The Department of Civil, Environmental & Architectural Engineering is seeking students interested in serving as Graders or Course Assistants for the spring 2025 semester.

Student Graders

Assist faculty members in their course with responsibilities such as:

- Grading homework, problem sets, tests, and/or term papers
- Responding to student questions and inquiries about course content and materials
- Assisting the instructor with course content management and organization on Canvas
- Researching data and materials for the course

Hourly Rate of Pay: $18 (undergraduate Graders); $19 (graduate Graders (Readers))

Course Assistants (CAs)

Assist faculty members in their course with all the responsibilities of Student Graders in addition to the following:

- Assist with technical mentoring
- Hold office hours
- Occasionally lead parts of class

Hourly Rate of Pay: $19 (undergraduate CAs); $20 (graduate CAs

Interested students should email Madison.lane@colorado.edu with their year, major, and any prior relevant experience (i.e. grading, TAing, etc.)
