** College-approved writing courses are listed at

<https://www.colorado.edu/engineering-advising/get-your-degree/degree-requirements/humanities-social-sciences-and-writing-requirements>. Students who want to take ENES 1010 in their first year can switch the HSS elective in Term 1 with the writing course in Term 6.

*** Requisites for CVEN 4899: Prereqs CVEN 3246, 3323, 3525, 3708; and ((pre/co-reqs CVEN 3718 and 4728) or (pre/co-reqs CVEN 3323 and 4333) or (prereqs CVEN 3256 and AREN 4506) or (prereq CVEN 4555 and pre/co-req CVEN 4545) or (pre/co-req CVEN 3424)).

CVEN ELECTIVES AND AREAS OF FOCUS

PROFICIENCY COURSES

Students must complete at least three of the five proficiency courses listed below (to ensure students can “design in more than one context”).

Construction Engineering & Management: CVEN 3256 Construction Equipment and Methods

Geotechnical Engineering: CVEN 3718 Geotechnical Engineering 2

Environmental Engineering: CVEN 3424 Water and Wastewater Treatment

Structural Engineering & Structural Mechanics:

CVEN 4545 Steel Design

OR CVEN 4555 Reinforced Concrete Design

Water Resources Engineering: CVEN 4333 Engineering Hydrology

ELECTIVE REQUIREMENTS

Basic Engineering Elective – any 3-credit technical course given in the engineering college with a designator ASEN, AREN, APPM, CHEN, COEN, CVEN, CSCI, ECEN, EMEN, EVEN, GEEN, or MCEN, or other course approved by the CEAE Curriculum Committee. Remedial courses (precalculus, etc.) or courses approved as HSS electives may not be used.

Free Elective – Any college-level course, except: cannot be remedial courses needed to fulfill deficiencies (precalculus, introductory chemistry, etc.) and cannot be similar to other courses used toward graduation requirements (algebra-based physics, etc.).

Humanities and Social Science (HSS) Elective – See the College requirements and list of approved courses at www.colorado.edu/engineering/academics/policies/HSS.

Technical Elective – Generally, an upper-division (3000+) science or engineering course with technical content. All upper-division AREN/CVEN courses are technical electives; up to 6 credits outside of AREN/CVEN may be selected from the approved course list posted at <https://www.colorado.edu/ceae/node/111/attachment>. Up to 3 credits of independent study are allowed for technical elective credit.

RECOMMENDED TECHNICAL ELECTIVES

For a complete list of recommendations for each focus area, consult the recommended course plans on the CEAE Department website, and/or your faculty mentor.
