Signature/Date _____

Complete ONLY for comprehensive with conditions:

Note: Conditions may be imposed by the committee as a result of performance on the doctoral comprehensive examination or by the faculty of the graduate program based on the overall record of the student. Department approval for candidacy is conditional on the following:

Conditions:

Conditional requirements must be met before the student is considered as having passed the comprehensive examination and admission to candidacy can be approved or the final exam can be scheduled. The chairman should so inform the student.

_____ Conditions placed on the comprehensive examination have been met

Signature/Date _____

Doctoral Comprehensive Examinations must be scheduled with the Graduate School at least 2 weeks in advance by submitting this form. The examining committee is comprised of at least five faculty members. The chair must hold a current regular membership on the graduate faculty. The other four members must hold current regular or special memberships on the graduate faculty. The student must be registered on the Boulder campus for a minimum of 1 hour of “for credit” course work or dissertation hour during the semester the exam is passed.

Dissertation Defense should be scheduled with the Graduate School by submitting this form at least two weeks in advance. A typed leaflet announcement must also accompany the committee request form at this time. The final examining committee is comprised of a minimum of five faculty members, three must be Boulder Campus resident faculty, one of which must be outside the student's department. The chair and outside member of the defense committee must have regular membership on the graduate faculty. The other three members must hold regular or special membership on the graduate faculty. Committee nominations should be submitted by the department to the Graduate School as soon as possible after the thesis topic has been approved. During the semester of the final defense the student must be registered for a minimum of 5 “for credit” dissertation hours.
