

## SEARCHING FOR HUMANITIES & SOCIAL SCIENCE (HSS) ELECTIVES

Approved HSS electives include:

- All courses classified as A&S GenEd Arts & Humanities
- All courses classified as A&S GenEd Social Sciences
- All ENES courses (Herbst Program for Engineering, Ethics & Society)
- All EHON courses (Engineering Honors Program)
- All ENLP courses (Engineering Leadership Program)
- Most foreign language courses
- Selected first-year seminar (FYSM) courses
- Specific courses approved by the College of Engineering & Applied Science to count as HSS electives

You can see the full list of approved courses on the Student Support & Advising Services [website](#).

---

## IDENTIFYING HSS COURSES IN THE CLASS SEARCH

In the CU Boulder Class Search (<https://classes.colorado.edu/>) use the General Education / Core Courses Search:

The image shows two side-by-side screenshots of the CU Boulder Class Search interface. The left screenshot shows the main search form with a red circle around the 'General Education / Core Courses Search' link. The right screenshot shows the expanded filter options, with a red circle around the 'ENGR GenEd: Humanities & Social Science' option.
