

**Be multilingual.
Be adventurous.
Be unique.**

ALTEC

MFLP

Modified Foreign Language Program

MFLP offers Spanish language courses designed with a multisensory teaching approach that is customized to support each student's challenge areas.

All eligible CU Boulder undergraduate students who need to fulfill the foreign language requirement for graduation and who demonstrate a need for foreign language learning curricular modification.

WHO

Students should consult their language instructor and then email us to set up an eligibility interview.
