Academics

Work with recognized academic and professional experts in engineering, international business, and psychology to build communication, critical thinking, and negotiation skills. Get an introduction to entrepreneurship by designing a business, product, or service with guidance from a local entrepreneur.

University Preparation

Tour local universities and speak with key representatives of international admissions. Gain insights on international student scholarships and develop test preparation skills and strategies for applying to US universities.

Culture and Recreation

Hike the majestic Rocky Mountains, breathe the clean mountain air, and explore Denver, Colorado. Participate in exciting cultural, community, and sporting events.

Campus Life

Live in a residence hall at the world-ranked campus of the University of Colorado Boulder - one of the most beautiful campuses in the US and home to 5 Nobel laureates.

Tuition and Fees: US \$5,500

Includes instruction, materials, activities, housing, meals, and health insurance. Airfare not included.

2020 Academy

Dates: July 2-24, 2020

Application Deadline: June 1, 2020
