EDUCATION

Foothill High School Class of 2025

GPA: 4.05 weighted/ 3.74 unweighted

Relevant Courses: AP Computer Science, AP French Language, Integrated Marketing Communications

Clubs: Machine Learning & Data Science (Vice President), DECA (Advisory Team), French Honors Society (JO), Tutors Club

PROFESSIONAL EXPERIENCE

Social Media Marketing Intern | AccesSOS

May- September 2023

- Helped work with a non-profit start-up that provided 911 access to immigrants, deaf people, and others in impoverished areas
- Gained national recognition with articles being published in NBC on the company and on the posts I created
- Led other interns in writing articles, creating social media posts, organizing publicity for events and bringing in donations and celebrity attention to the company.

Technology Intern | LearnDesk

Summer 2024

- Developed platform features for user accessibility, improving the setup for teachers' lessons alongside the lead tech designer
- Worked with the computer scientist team to identify and troubleshoot bugs, improving overall system performance and reliability.

VOLUNTEER WORK

Tutor | Foothill Tutors' Club

2021 - Present

- Tutored high-need students struggling with math and English
- Helped get multiple students out of being behind in school and meet the standards to move on to the next grade.

EXTRACURRICULAR ACTIVITIES

Machine Learning and Data Science Club | Foothill High School

2022-Present

- Organized meetings and workshops on machine learning and data science.
- Led projects and hackathons, taught members about AI and its applications in their future careers.
- Hosted conferences with college students in similar organizations and other experts in the field.

YoungBiz | Foothill High School

2022-Present

- Created educational videos uploaded through Youtube to reach young audiences and educate them in accessible ways about business topics
- Led a team of tutors in creating videos and lessons that ended up approved for teaching at our high school and others in the area.

SKILLS AND INTERESTS

- **Writing:** Writer in school magazine, published poetry in an anthology book, creative writing
- **Coding:** Proficient in Java, HTML, Python, etc. Coded websites and game projects.
- **Leadership:** Led teams in my past internships and coordinated events for DECA and other clubs.
