## School Sports-

Sport	Years Participated(so far)	Brief Description
Cross Country	Sophomore, Junior, and Senior	Fall Sport, I competed sophomore year, but haven't competed since because I see cross country as more a fun way to stay in shape than something I'm interested in competing in. I prioritize school over attending meets.
Swim Team	Freshman, Sophomore, Junior, and Senior	Winter Sport, swim practice before school everyday, I swam the 500m freestyle, 50 freestyle, 100 backstroke, and sometimes others.
Indoor Track	Sophomore	Winter Sport, I decided to only do this for one year because it did not include discus, and was not worth missing so much swimming and school when I was doing both at the same time.
Outdoor Track	Freshman, Sophomore, Junior, and Senior	Spring Sport, I am a thrower so I compete in shot put and discus. Typically a huge team, but a great group of people.
