## PSYCHOLOGY 3131 – HUMAN EMOTION Professor June Gruber Spring 2018

Thank you for taking a moment to complete this voluntary survey about your experiences in PSY 3131. This survey is designed to learn more about your experience with the outreach project and course. The results from this survey may be used by the instructor to improve his/her teaching, and by administrators for tenure and promotion decisions. The instructor should not be present at any time during administration of this survey. These survey results will not be read until after the semester is complete.

Section I: OUTR	EACH PROJI	ECT
