

**For Instructors:**

Thank you for participating in this Classroom Zoom pilot! Please help us improve this program by completing this survey. The more information you give us, the better and more useful we can make this experience for future users.

1. How much time did you spend before your Classroom Zoom session preparing?
2. How useful was the Zoom Guide in preparing for your classroom session?
3. What kind of preparation did you do:
  - a. For yourself?
  - b. For your students?
4. What did you have your students do to prepare for the Classroom Zoom session?
5. Please rate the degree of ease in setting up Zoom for your session.
6. What was your favorite thing about using Zoom in your classroom? If you could change something, what would it be?
7. Please rate the impact that using Zoom had in your class session.
8. Will you use Classroom Zoom again? Why or why not?
9. What other feedback do you want to share with us?

**For students:**

1. Please rate the ease of using Zoom.
2. What was your favorite thing about using Zoom in class?
3. If you could change something about using Zoom in the class, what would it be?
4. Please rate the impact that using Zoom had in your class session.
5. What other feedback do you want to share with us?
