

New Fall 2020:

# Peer Mentorship Program in Chemistry

**Are you new to the Chemistry major and want to connect with the CHEM community?**

The Peer Mentorship Program in Chemistry is your opportunity to connect with upper-class chemistry majors who can help you navigate your first year in the chemistry program!

## **Program Goals:**

The goals of the Peer Mentorship in Chemistry Program is to support an inclusive environment in as well as positively influence the recruitment and retention of CHEM students from underrepresented groups. All are welcome, though womxn and BIPOC students are especially encouraged to participate!

**Interested in learning more?**

**Join us for an informational session to learn more about the program, meet our awesome mentors, and connect with other CHEM majors!**

**DATE: Thursday, Sept 10th**

**TIME: 6:00-7:00PM**

**Zoom Link:**
