## PSYC 3131 – HUMAN EMOTION OUTREACH PROJECT WORKSHEET

*“Bridging the Gap Between the Student and Scientist through Outreach”*

**Please complete this and hand into Professor Gruber BEFORE leaving class!**

1. What topic are you considering for your outreach project?
2. How does this topic directly connect to the course material?
3. Who is your target audience?
4. What mode of outreach dissemination are you considering (be as specific as possible)?
5. What progress have you made thus far on your project?  
For example, have you identified a topic, begun your literature review (5 journal article sources from psychology journals), drafted your one-page project proposal summary, checked you're your references are APA 6<sup>th</sup> Edition formatted, begun taking steps towards implementing your dissemination strategy, etc? Be as honest and specific as possible.
6. What can you THIS week to make progress towards completing your project proposal due next week?
7. What questions do you have for me? How can I help? 😊

*Note:* If you choose, you will have the opportunity to provide written permission to publish your (de-identified) course work for this course as part of my participation in the Faculty Teaching Excellence Program (FTEP) [Making Teaching and Learning Visible Project](#) to enhance student learning and explore new pedagogical opportunities for CU Boulder students. As part of my participation, I will be comparing students' learning achievements on different types of assignments that will be compiled in a course portfolio summarizing student achievements and feedback. If you give permission, your course work may be included in this published research, in full or partial form. However, your performance in the course is entirely independent from and not contingent on providing this permission. If you are interested please contact me and I can share the relevant consent form.
