I understand that if admitted to this program that I must be released from any other double degree or double major program.
I understand that if admitted to this program, the 4-year guarantee for graduation will not be applicable to my enrollment.
I have read and understand the departmental policies and requirements for this program. I understand that I am working toward completion of both undergraduate and graduate programs simultaneously and that I must complete all the degree requirements to receive both degrees at the end of the program. I understand that I am considered an undergraduate student until such time as I have completed the minimum requirements for a Letter of Verification and have been recommended for admission as a graduate student by my department. If I withdraw from the program and complete the requirements for the bachelor's degree as described in the policies, I may receive a bachelor's degree. If I wish to pursue a regular master's degree or a doctoral degree after withdrawing from or completing this program, I must apply and be admitted to the Graduate School. All Graduate School minimum standards apply to eligibility for admission to the Graduate School; department-specific requirements may be waived by the department as approved in the department's concurrent degree proposals.
