

Chemical and Biological Engineering Senior Thesis Application

Note: Please type your responses in each field, then print the form and obtain signatures before submitting. THIS APPLICATION WILL BE ACCEPTED ONLY IF TYPED. All hand-written applications will be returned.

Senior Thesis has a cap of 20 students. You must be a senior and have completed CHEN junior level classes.

- Before August 15, only students with a major GPA ≥ 3.7 can register for Senior Thesis.
- Starting August 15, students with a major GPA between 3.5-3.7 can **also** register for Senior Thesis until the 20-student cap is reached. These students must also take UG Lab (CHEN 4130 or CHEN 4810) and can use Senior Thesis for Tech Elective credit.

To register for Senior Thesis, please turn in this form to Dr. Deb Renshaw in BIOT A125.
