

Chemical and Biological Engineering Senior Thesis Application

Senior Thesis can be taken in place of Senior Lab or in conjunction with Senior Lab. Below are the two options:

- 1 – Students with a Major GPA of ≥ 3.7 can take Senior Thesis in place of Senior Lab (CHEN 4130/4810). These students are also able to take Senior Lab if they like.
- 2 – Students with a Major GPA of $\geq 3.5 - 3.699$ can take Senior Thesis in conjunction with Senior Lab (CHEN 4130/4810). In this instance, Senior Lab credits will count as engineering tech elective credits.

Senior Thesis has a class cap of 20 and is filled on a first come, first served basis. To apply students must be seniors and have completed all junior level CHEN courses.

All forms must be typed. Email a completed and signed PDF of your application to Dr. Renshaw at deb.renshaw@colorado.edu and Sr Thesis will be added to your schedule
