

Resources and Organizations for Women

- **WiSE – Women in Science and Engineering**
 - Provides a welcoming community for diverse students in STEM. Open to all genders, races, and religions. WiSE has a mostly graduate student membership and holds networking, science communication, professional development, and mentoring events. WiSE does not hold weekly meetings, join the email list at <https://lists.colorado.edu/sympa/subscribe/wisegroup> . Or visit their website at <https://cuwise.wordpress.com/about/>
- **SWE – Society of Women Engineers**
 - At CU Boulder, SWE is focused on building a community of strong female engineers by establishing a secure and substantial support system that begins in college and transitions into the professional setting.

- **WiC – Women in Computing**
 - WiC promotes increased involvement of women in computing by bringing in local companies to conduct mock interviews and resume reviews, attending conferences, as well as encouraging females to socialize and build a community.

- **Expanding Your Horizons**
 - Expanding Your Horizons (EYH) is a conference for girls in middle school. This day-long event will include hands-on activities in science, technology, engineering, and math (STEM). At the conference, girls will get a chance to meet STEM role models and learn more about careers in those fields. Our ultimate goal is to motivate girls to become innovative and creative thinkers ready to meet 21st Century challenges. Find volunteer opportunities here:
<https://boulder-co.aauw.net/expanding-your-horizons/>
- **Stemblazers**
 - Volunteer opportunity. Stemblazers inspires young girls to pursue STEM through mentoring and competitions.
