

## **CHEM 4901** **INDEPENDENT STUDY AGREEMENT**

Student Name	SID			
Student Email	Semester			
Credit Hours (1–6)	Class Standing: Jr.	Sr.	other	GPA
Faculty Sponsor				

Requirements and expectations for this course include:

Average number of hours per week to be spent on this project  
Departmental policy requires a minimum average of three hours per week per hour of credit.

Attendance at group seminars

Regular consultations with faculty sponsor

A research paper summarizing work conducted and results

Oral presentation at group seminar or elsewhere

Other

Project Proposal: Write or attach a minimum one-paragraph summary of the proposed research project.

The student should complete this form in consultation with their faculty sponsor. The student may sign by typing their name or may leave the signature line blank and the form will be routed through DocuSign for signature. The completed form should be sent to the chemistry undergraduate program coordinator at [chemundergrad@colorado.edu](mailto:chemundergrad@colorado.edu). Ideally the form should be completed by the add deadline for the semester in which the student wishes to enroll. The undergraduate program coordinator will register the student for the independent study credits.
