

DEPARTMENT OF CLASSICS PRESENTS

SPARTANS ON THE CAPITOL

Recent Far-Right Appropriations of Spartan
Militarism and Their Historical Roots

PROF. STEPHEN
HODKINSON

UNIVERSITY OF NOTTINGHAM

6:00 PM

Professor Hodkinson examines far-right appropriations of Sparta since Zack Snyder's *300* (2006), looking at their political and intellectual roots since the American and French revolutions. He then briefly argues against militaristic interpretations of Spartan society and concludes by asking how we can best challenge these popular misconceptions.
