2025 ASEE RMS Conference Acknowledgements

On behalf of the conference leadership team, we would like to extend our sincere gratitude to the many individuals and organizations who made this conference possible. We also extend our apologies in advance for any mispronunciations of names.

College Leadership

Dr. Keith Molenaar Dean, College of Engineering and Applied Science, University of Colorado Boulder

Thank you for your unwavering support of this conference and your dedication to advancing the engineering curriculum and pedagogy. Your commitment has been instrumental in making this event a success.

Keynote Speakers

Dr. Rebecca Komarek, Dr. Doug Melton, Dr. William Kuskin, and Dr. Kathryn Johnson

Thank you for sharing your insights on:

- Integrating Leadership in Engineering Education
- Educating Engineers for a World in Flux
- Looking to the Past for the Future of Higher Education
- Illuminating the Sociotechnical in Engineering Education

Your contributions inspired thoughtful discussions and a meaningful reflection on the world in which we live and learn.

AI Panelists and Moderators

Dr. Molly Jameson (University of Northern Colorado), Dr. Carter Moulton (Colorado School of Mines), Dr. Joseph Brown (Colorado State University), Lexi Schlosser (University of Denver), Dr. Sriram Sankaranarayanan, Dr. Diane Sieber, Dr. Thomas Brideband (University of Colorado Boulder), Alex McDaniel, Dr. Jeff Loats (Metropolitan State University of Denver), Ram Krishnamurthy (MathWorks), Dr. Rebecca Ann Machen, Bobby Hodkinson, and Dr. Jeremy Koch (University of Colorado Boulder)

Thank you for contributing your time, perspectives, and expertise to this dynamic conversation. Your presence elevated the discussion around the role of AI in engineering education.

Conference Session Moderators

Dr. Joan Tisdale, Dr. Angela Bielefeldt, Prof. Wendy Martin, and Dr. Jean Hertzberg

Thank you for facilitating our sessions, keeping them on schedule, and fostering meaningful engagement between presenters and attendees.

The ASEE Rocky Mountain Section Leadership

Dr. Pinar Omur-Ozbek, Dr. Masood Amin, Dr. German Parrada, Dr. Katie Johnson, Dr. Alina Handorean

Thank you for your continued support and dedication to advancing the goals of the Rocky Mountain Section.

Additional Support

Keynote Speaker Introducers: Dr. Wil Srubar, Carly Morse, Maribeth Oscamou, Dr. Malinda (Mindy) Zarske, and Amanda Jasmin McKenzie

Campus Partners: Vanessa Dunn, Victoria Lanaghan, and colleagues from the Idea Forge, Leeds School of Business, College of Engineering and Applied Science, and departments across campus

Your behind-the-scenes efforts and collaboration have been essential to the success of this event.

Conference Sponsors

Gold Sponsor: MathWorks   **Bronze Sponsor:** X-Cal in partnership with Tech Labs

We are grateful for your support and for being here with us at this conference.

Attendees

Thank you for your participation and enthusiasm. Your engagement is what makes this conference a vibrant and impactful platform for learning, networking, and innovation.

And to All Others

To anyone we may have unintentionally missed—thank you. So many individuals lent their time and energy to make ASEE RMS 2025 possible. Each of you has played a vital role in this event's success, and we are deeply appreciative of your contributions.

Conference Chair & Support Team

Conference Chair: Dr. Mona El Helbawy

Thank you for your exceptional leadership, guidance, and vision. Your dedication and tireless work were instrumental in shaping this conference and ensuring its success.

Conference Support Team:

Cody Jacobs (Office of Engineering Digital Education), Finnegan Thompson (Engineering Physics), Stephanie Torres (ECEE Undergraduate Student), and Guadalupe Ramirez (Biomedical Engineering Undergraduate Student).

We would like to extend our heartfelt thanks to the conference support team and undergraduate students whose dedication, professionalism, and behind-the-scenes efforts ensured the conference ran smoothly and flawlessly - your hard work made all the difference. Thank you!
