

PeopleSoft & mFin

Date Fields	Definition	Technical Field in CIW
Award	This is the authorized period of performance, indicating the current authorized timing for which award funds can be spent and invoiced.	[ARTEMIS_GL_PROJ_TBL].[PROJ_AWRD_END_DATE]
Project	This is the date that is used as the HR project end date. This date highlights the anticipated period of performance, indicating how long we anticipate the award to last (based on the award document). This is also the field that is updated when an extension is requested (both No Cost Extensions and At-Risk Extensions).	[ARTEMIS_GL_PROJ_TBL].[PROJ_END_DATE]
Budget	Matches the award date, this is the authorized period of performance, indicating the current authorized timing for which award funds can be spent and invoiced.	[ARTEMIS_GL_PROJ_TBL].[PROJ_BDGT_END_DATE]
