

m.b.v. GLU Colorism Study Checklist

Welcome to the **mind. body. voice. Girls Like Us (m.b.v. GLU) colorism study!** As part of your participation, you will complete a demographic survey followed by 1-2 interviews with a member of the GLU research team about the topic of colorism. Interviews can be conducted virtually or in person. This guide will help you understand what steps must be taken to participate in the Colorism Study.

This study is designed to understand how colorism impacts Black girls and femmes in the context of appearance biases. More specifically, our main objective is to conduct interviews that will examine Black girls and femmes lived experiences related to colorism.

The interview(s) will be approximately 90 minutes. Participants will receive a \$25 gift card of their choice (Amazon, Target, or Starbucks) upon completion of the interview.

If you have any questions, please feel free to email us at GirlsLikeUs@colorado.edu.
