

The University of Colorado at Boulder presents:

# CU WIZARDS!

[www.colorado.edu/physics/Web/wizards/cuwizards.html](http://www.colorado.edu/physics/Web/wizards/cuwizards.html)

## FREE!

### WHAT

The 31<sup>st</sup> annual CU WIZARDS program is an informal introduction to astronomy, chemistry and physics, intended primarily for students in grades 5 through 9. Each program lasts about an hour and includes several lively demonstration experiments. **NO RESERVATIONS REQUIRED!**

### WHERE

Come to the University of Colorado at Boulder. **See below for specific building and room.** There is **FREE PARKING ONLY** in LOTS 169, 308, 396, and 436. There is also parking available for a nominal fee in the Euclid parking structure.

### 2007-2008 PROGRAM SCHEDULE

Shows are usually the third Saturday of each month, September through June. All shows begin at 9:30 a.m.

September 8	Much Ado About Absolute Zero	Professor Paul Beale	Duane Physics G-1B30
October 20	The Magic of Chemistry!	Professor Veronica Bierbaum	Chemistry 140
November 17	Go With the Flow!	Professor Janet De Grazia	Chemistry 140
December 8	H <sub>2</sub> O!!!	Professor Casey Hynes	Chemistry 140
January 19	Hope for a Broken Heart	Professor Leslie Leinwand	Duane Physics G-1B30
February 16	Chemistry and Cooking!	Professor David Nesbitt	Chemistry 140
March 15	Bangs and Whispers: The Physics of Sound and Music	Professor Steve Pollock	Duane Physics G-1B30
April 19	The Chemistry of Combustion!	Professor Tarek Sammakia	Chemistry 140
May 17	Biochemistry for Kids!	Professor Debbie Wuttke	Chemistry 140
June 14	A Visit with Madame Curie	Professors Eric Stade and Susan Frontczak	Chemistry 142

**For General Questions call Assistant Coordinator Morgan Heim at 303-492-5011, or send an email to [djadmin@jila.colorado.edu](mailto:djadmin@jila.colorado.edu)**

### SPECIAL ACCOMMODATIONS

If you have a special need or disability, please notify the Physics Office, 303-492-6952, a few days in advance of the show you will be attending. Best wheelchair access to Duane Physics is through the east doors.

The CU Wizards show is brought to you courtesy of Executive Director, Professor David Nesbitt, and all his Wizard colleagues from the departments of Chemistry, Physics, Biology, Math and many more. For a full list of participating departments see our Web site.

Many thanks to the Chancellor's Office, Gamow Foundation, CU Science Discovery and all others who support the Wizards show, including the wizards in training, who join us!
