

# CU WIZARDS!

## WHAT?

For over three decades, the CU Wizards program has presented **FREE** monthly shows that entertain and inform children about the wonders of science. Under the direction of Prof. David Nesbitt, these interactive shows are presented once a month from September through June. They are hosted by renowned University of Colorado, Boulder professors and provide a perfect start to a fun-filled weekend. The shows are geared toward children and young adults in grades 5-9, but all are welcome! Each program lasts about an hour and includes several lively demonstration experiments. *No reservations required.* All shows are on Saturday mornings and begin at 9:30 a.m.

## WHERE?

At the University of Colorado at Boulder in the Duane Physics or Cristol Chemistry buildings. There is **FREE PARKING** in LOTS 308, 396, and 436. There is also parking available for a \$3.00 flat fee in the Euclid parking structure.
