Dear Henry:

I recently read in the Cooperative Education and Internship Newsletter of your team receiving the National Association of Colleges and Employers First Runner-up Outstanding Achievement Award for Innovative Programming. This is a prestigious award and is therefore a very important contribution to the overall quality of the University of Colorado.

On behalf of the University of Colorado at Boulder, I want to express pride in your team and their achievement. Please know of our appreciation for your ongoing commitment to making CU-Boulder a premier place to learn and work.

Best wishes in your future endeavors.

Sincerely,
