## **Exam Proctoring Guidelines**

- 1. Exams are administered by DS Sunday 11:00 a.m. 4:00 p.m.; Saturday and Monday through Wednesday from 7:30 a.m. 6:00 p.m. during regular operating hours. Exams held beyond these hours must be arranged through the professor.
- 2. The student must be approved by the student's Disability Access Coordinator to have individual exams proctored in DS. A student's accommodation letter must state exams are to be proctored in DS, or the Coordinator has to grant an Exception for the student to take individual exams in DS.
- 3. Students should remind professor about upcoming exams. Check with DS to ensure exam(s) were received.
- 4. Students and professor wishing to cancel a scheduled exam need to communicate with DS as soon as possible to allow DS to cancel proctors and minimize costs.
- 5. Students who do NOT show for scheduled exams will be referred to the Disability Access Coordinator to discuss. DS will communicate to professor that the student missed the exam.
- 6. Students should expect that exams will be proctored, and that they will be observed in person and/or by video recording. A proctor is allowed to check materials that the student has in her/his possession.
- 7. Items such as notes, books, and calculators cannot be used by the student unless confirmed by the professor on this form prior to the exam.
- 8. Personal items may not be taken into the testing area. Food, drinks, gum are not allowed in the testing area unless it is a DS authorized accommodation. Water is allowed.
- 9. The student will not be able to leave the examination area during the exam unless stated in her/his accommodations or approved by DS staff.
- 10. Students are responsible for bringing her/his own supplies and references, as have been permitted by the professor or the student's DS accommodations.
- 11. If a student is suspected of academic dishonesty during an exam, DS will inform the professor who will determine the consequences.
