

Ireland's largest granting body pilots My Green Lab Certification with grantees!

Science Foundation Ireland

“This initiative is an ambitious and progressive move to place sustainability front and centre within the science community...”

- Ireland Minister Simon Harris for Further and Higher Education, Research, Innovation, and Science

In 2014, academic labs were estimated to consume ~5.5 million metric tons* or ~2% of the world's plastic production.

**M. Urbina et al. Nature 528, p479 (2015)*
