

Future HHS Grant Applications to Request Efficiency and Sustainability Actions

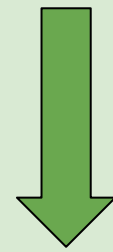

A Breakthrough for Greening Labs!

U.S. Department of Health & Human Services

2021 Climate Action Plan

Read Priority Action #3 on pg. 22-24 of the plan

HHS.gov

From Health & Human Services (HHS) Priority Action #3:

- “Develop language across the range of HHS grant-making programs and funding announcements”
- “incentivize awardees to maximize energy and water efficiency... reduce waste... share grant equipment and institution lab and storage space to reduce grant direct and indirect costs”
