

# Many thanks to these labs with equipment listed on the **Shared Instrumentation Network!**

## INDIVIDUAL LABS

Bierbaum Lab  
Cech Lab  
Doak Lab  
Fierer Lab  
Fox Lab

Flowers Lab  
Johnson Lab (IBG)  
Kutcha Lab  
Link Lab  
Linden Lab

Palmer Lab  
Smith Lab  
Snell Lab  
Spencer Lab  
Stowell Lab  
Weimer Lab

## CORE LABS

BioFrontiers Advanced Light Microscopy Core  
BioFrontiers Next-Gen Sequencing Facility  
Biochemistry Cell Culture  
Biomolecular X-ray Crystallography Facility  
Boulder EM Services Core Facility  
Central Analytical Laboratory and Mass Spectrometry Core Facility  
Cognitive and Affective Neuroscience Lab  
Colorado Nanofabrication Lab  
Electron Microprobe Lab  
Flow Cytometry Shared Core  
High-Throughput Screening Core Facility  
Light Microscopy Core Facility  
Macromolecular X-Ray Core  
NCF Nanomaterials Characterization Facility  
NMR Spectroscopy Facility  
Independent Instruments of Geological Sciences  
Intermountain Neuroimaging Consortium  
JILA Keck Lab  
Raman Microspectroscopy Lab  
Thermochronology Lab
