

Major laboratory research buildings at CU Boulder  
are ~22% of campus square footage  
but use ~43% of campus building energy\*!

\* Source: CU Boulder Facilities Management Engineering, May 2017

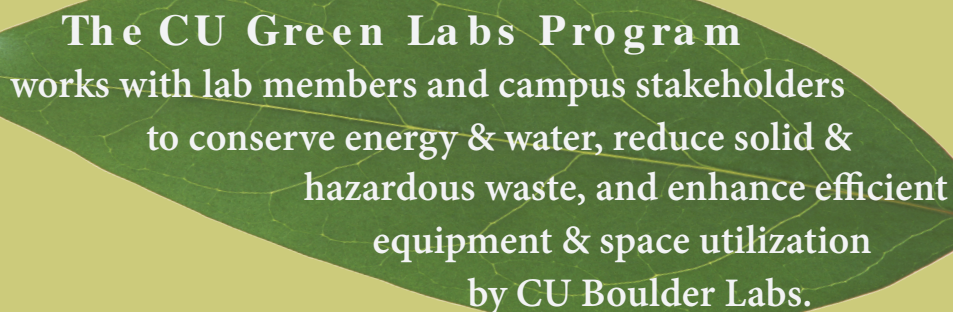

Let's join together  
to **GREEN** CU Labs!

**COLLABORATE** - share your ideas with us and  
ensure your lab has an Eco Leader representative

**ACT** - participate in Green Labs programs and implement  
sustainability initiatives in your lab

**LEAD** - share your lab's sustainability successes with others  
and spearhead efforts in your department and/or building

**The CU Green Labs Program**  
works with lab members and campus stakeholders  
to conserve energy & water, reduce solid &  
hazardous waste, and enhance efficient  
equipment & space utilization  
by CU Boulder Labs.
