

MCDB Department Bright Idea Competition

For Energy Savings

JAN 10 - JAN 24, 2012

The MCDB Dept & CU Green Labs would love to hear from YOU about how to make YOUR LAB or the MCDB DEPT more energy efficient! CU Green Labs will strive to turn as many ideas as possible into reality.

PRIZES* generously provided by the BLUMENTHAL LAB

1st Place Prize: \$125
2nd Place Prize: \$75
3rd Place Prize: \$50

*** Each prize is a gift card to a local restaurant of the winning lab's (or office's) choice!**
(Funds for these prizes came from previous gift card incentives that the Blumenthal Lab won, but requested be used for additional conservation efforts in the MCDB Dept! Thank you, Blumenthal Lab!)

Who may participate: All MCDB Dept lab members, Pls, and administrators are welcome to participate!
To promote a collaborative spirit, prizes are meant to be awarded to entire labs or entire offices, instead of individuals.

Here is how the contest will work:

1. Fill out the survey monkey with your idea: <https://www.surveymonkey.com/s/KSB8683>
2. After Jan 24th, the MCDB Lab Eco-Leaders will vote on the ideas.
3. The ideas with the most votes win.

Ideas will be judged based upon their impact for energy savings, feasibility, & ease for implementation (simplicity & low upfront cost).

GOOD LUCK AND THANK YOU FOR YOUR IDEAS!

Questions?

Kathy Ramirez-Aguilar, CU Green Labs Program Manager, kramirez@colorado.edu or 303-859-2068
