

BOARD OF GOVERNORS *of the* FEDERAL RESERVE SYSTEM

Economics Internships at the Federal Reserve Board

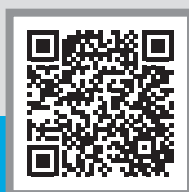

Current undergraduate and graduate students are eligible to apply for the Board's paid full-time summer internships. The internship program is 10-12 weeks.

Internship Opportunities

- Learn about the Board and gain a deeper understanding of our mission and work.
- Participate in hands-on projects guided by experienced analysts and economists that will contribute to the Board's research and policy work.
- Grow your research skills and professional network.
- Work alongside economists primarily in the Federal Reserve Board's four economic divisions: Financial Stability, International Finance, Monetary Affairs, and Research & Statistics.

Qualifications

- Current undergraduate and graduate students majoring in economics, statistics, finance, computer science, or a related field welcome to apply.
- Applicants must be U.S. citizens.

Applications accepted annually in the fall.
