- Ask driver for a receipt for reimbursement.
- <https://www.rtd-denver.com/app/route/AB/schedule>

NOTE: The closest RTD bus stop to the ECON building and the hotel on the airport (AB1) route is at Broadway and Euclid. Moxy Hotel, the ECON building, and “The Sink” restaurant are located on what’s called “The Hill” in Boulder, all easy walking distance from each other. Other city buses run up and down Broadway regularly. The best “hill” stop going up the hill (south) from downtown is Broadway and College. The best “hill” stop going down the hill (north) towards downtown is Broadway and Euclid. The closest stop to your hotel is the Broadway and Euclid– about a 6-minute walk.
