

Spring 2025 Drop-In Tutorial Lab

January 13–April 24, 2026

The Department of Economics provides a **free** drop-in tutorial lab for undergraduates enrolled in Economics courses at CU Boulder. The lab is located in the basement of the economics building in room 12. The lab will operate from Tuesday, January 13, 2026, through the last day of classes, April 24, 2026. Please note that the lab does **not** operate during finals (the tutors have finals too).

The tutors are **undergraduate and graduate students and are all available to help with ECON 1078, 1088, 2010, 2020, 3070, 3080 and 3818 and some upper-level courses. The tutors can help with upper-level courses they have taken but keep in mind they may have had a different professor for those classes.**

If you have any questions or concerns about the drop-in lab, please write to either Billy Mertens at mertens@colorado.edu or to one of the Economics Undergraduate Advisors: jason.hogstad@colorado.edu, william.hamilton@colorado.edu or andrew.nelson-4@colorado.edu. Please do not contact these people about private tutoring—that is a different list (which can be found on the department website).
