Spring 2024 Drop-In Tutorial Lab

January 24–May 2, 2024

The Department of Economics provides a free drop-in tutorial lab for undergraduates enrolled in Economics courses at CU Boulder. The lab is located in the basement of the economics building in room 12. The lab will operate from Wednesday, January 24, 2024, through the last day of classes, May 2, 2024. Please note that the lab does not operate during finals (the tutors have finals too).

The **tutors are undergraduate students and are all available to help with ECON 1078, 1088, 2010, 2020, 3070, 3080 and 3818** and some upper-level courses. **Upper-level courses the tutors have taken are listed with their names, but keep in mind they may have had a different professor for those classes.**

If you have any questions or concerns about the drop-in lab, please write to either Billy Mertens at mertens@colorado.edu or to one of the Economics undergraduate advisors. Please do not contact Prof. Mertens about private tutoring—that is a different list (which can be found on the department website).
