Weekly Assignments and Clicker Questions

Grading

Your final grade will be determined according to the following percentages

- Midterm 1 25%
- Midterm 2 25%
- Final 30%
- MindTap Problem Sets 15%
- Clicker Questions 5%

The in-class graded clicker sessions will count as follows: 2 points for a correct answer, 1 point for an incorrect answer, 0 for no answer. The total score for the Clicker Questions will be computed by adding all the scores while discarding the lowest 6.

Rules of Conduct

Academic Integrity. All students of the University of Colorado at Boulder are responsible for knowing and adhering to this institutions policy regarding academic integrity. Cheating, plagiarism, fabrication, lying, bribery, threatening behavior and assistance to acts of academic dishonesty are examples of behaviors that violate this policy (see <http://www.colorado.edu/policies/academic-integrity-policy> for more information). Ordinarily, a student engaged in any act of academic dishonest will receive a failing grade for the course. In addition, all incidents of academic misconduct shall be reported to the Honor Code Council. Depending on its findings, students who are found to be in violation of the academic integrity policy will be subject to non-academic sanctions, including but not limited to university probation, suspension, or expulsion. The Honor Code Council can be contacted by email at honor@colorado.edu or by telephone at 303-725-2273. Additional information regarding the University Honor Code is available at <http://www.colorado.edu/policies/student-honor-code-policy> and at <http://honorcode.colorado.edu/>.

Electronics in Class. Cell phones must be turned off. Any sort of use of cell phones in class will not be tolerated and anyone violating such rule will be asked to leave the lecture hall. Computers are permitted in lectures. However, they must be used only for course-related purposes. If you use your laptop for class purposes, you are required to sit in one of the last three rows of the lecture hall. Uses for any other purpose impose negative externalities on others and are inappropriate during class time. For these reasons, anyone who uses computers for non-course-related purposes must leave the lecture hall.

University Policies

Religious Observance. Campus policy regarding religious observances requires that faculty make every effort to reasonably and fairly accommodate all students who, because of religious obligations, have conflicts with scheduled examinations, assignments or required attendance. If you have scheduling conflict covered by this policy, please let me know as soon as possible so that we can reschedule the relevant assignment/examination. See full details at <http://www.colorado.edu/policies/observance-religious-holidays-and-absen>

Harassment Policy. Classroom Behavior. Students and faculty each have responsibility for maintaining an appropriate learning environment. Students who fail to adhere to behavioral standards may be subject to discipline.
