

Because learning changes everything

You are invited to join us!

Dr. Karen Gebhardt, Director of the Online Economics Program at CU Boulder and co-author of the Schiller/Gebhardt, The Economy Today 16e and Essentials of Economics 11e, will give a talk on "Improving Student Outcomes using Low Stake Assessments."

Register Today!

- Attend in person or via Zoom.
- Win some fun raffle prizes.
- One entry into the raffle is earned by filling out a post-event survey. A second entry can be earned by scheduling a 15-minute conversation with McGraw Hill.

Enjoy dinner on McGraw Hill!

(Dinner will be provided for those attending in person - please indicate if you have any food allergies.)

Tuesday, November 2, 2021

5:00 PM

Room Econ 5
