

WOMEN IN ECONOMICS ACROSS THE NATION

A CONVERSATION WITH

Dr. Chloe Gibbs

Professor Gibbs, a former senior economist for the President's Council of Economic Advisers, specializes in the economics of education, focusing on the impact of policies on disadvantaged children and families. Her research explores the effects of Head Start, the impact of public education on maternal employment, and the importance of soft skills in children's futures. She will be speaking about her work on the Council of Economic Advisors and working on the Economic Report of the President.
