John D. Boich – President and CIO Fiduciary Research & Consulting

Mr. Boich is the founder, president, and controlling partner of FRC. He serves as the firm's chief investment officer and oversees the firm's day-to-day activities. He works with clients to support their investment policy objectives while directing FRC's strategic asset allocation, manager research and risk management activities. Prior to establishing FRC in 2009, Mr. Boich spent nineteen years as a global equity portfolio manager and chief investment officer. From 2001 through October 2009 Mr. Boich was the founding partner and senior portfolio manager at Security Global Investors (formerly Avera Global Partners) where he was responsible for the global long-only and global long-short strategies. Prior to founding Avera, he was a partner and senior portfolio manager in the global equity division at Montgomery Asset Management. Affiliations prior to 1993 include The Boston Company, Prudential Bache and E.F. Hutton & Company. Mr. Boich graduated from the University of Colorado in 1984 with a BA in Economics.
