

Sergey Nigai, Assistant Professor

PhD, ETH Zurich, 2012

FIELDS

International Trade • Globalization

CURRENT RESEARCH INTERESTS

My research interests focus on the effects of globalization on consumers, workers, and firms.

SELECTED PUBLICATIONS

- “Highways and Globalization,” (with Taylor Jaworski and Carl Kitchens), *International Economic Review*, forthcoming 2023.
- “Selection Effects, Inequality, and Aggregate Gains from Trade,” 2023, *Journal of International Economics*, 142: 103752.
- “Integrated versus Segmented Markets: Implications for Export Pricing Strategies,” (with Raphael Becker and Tobias Seidel), 2023, *Review of International Economics*, 1-23, 2023.
- “Gravity Models and the Law of Large Numbers,” (with Colin Jareb), *Economics Letters*, 221: 110911, 2022.
- “The Taxing Deed of Globalization,” (with Peter Egger and Nora Strecker), *American Economic Review*, 109 (2): 353-390, 2019.
- “Sources of heterogeneous gains from trade: Income differences and non-homothetic preferences,” (with Peter Egger) *Review of International Economics* (special issue), 1–19, 2018.
- “A Tale of Two Tails: Productivity Distribution and the Gains from Trade,” *Journal of International Economics*, 104: 44–62, 2017.
- “On Measuring the Welfare Gains from Trade under Consumer Heterogeneity,” *Economic Journal*, 126: 1193–1237, 2016.
- “Structural Gravity with Dummies Only: Constrained ANOVA-type Estimation of Gravity Data Models,” (with Peter Egger) *Journal of International Economics*, 97(1): 86–99, 2015.
- “Energy Demand and Trade in General Equilibrium,” (with Peter Egger) *Environmental and Resource Economics*, 60(2): 191–213, 2015.
- “Contagious Energy Prices,” (with Peter Egger and Michaela Kesina) *World Economy*, 36(3): 349–362, 2013.

WORKING PAPERS

- “International Transmission of Inequality through Trade,” 2023.
- “Empirical Productivity Distributions and International Trade,” (with Peter Egger and Katharina Erhardt) 2023.
- “Trade and Inequality: a Sufficient Statistics Approach,” (with Dongkyu Yang) R&R at the *Journal of Political Economy: Macroeconomics*, 2023.
