

WOMEN IN ECONOMICS + ECON CLUB

We're excited to invite you to a special meet and greet with alumni from the classes of 2016 and 2022! They'll be sharing their experiences about life after earning their Econ degree, navigating the job market, and what they've learned along the way.

We're also thrilled to have a guest speaker—a scholarship endower—joining us to discuss how to thrive in the financial field.

This is a fantastic opportunity to connect with former students, gain career insights, and ask any burning questions you might have about jobs or life post-graduation. Don't miss out!
