Uber and **Lyft** are easily accessible, and we will reimburse you for these trips related to recruitment. Please make sure to submit receipts for these if used. Gratuity up to 20% reimbursed, no special cause funds reimbursed.

Best Value: Rapid Transit System (RTD - bus)

- Use “AB” schedule (also called SkyRide):

- Ask driver for a receipt for reimbursement.
- <https://www.rtd-denver.com/app/route/AB/schedule>

NOTE: The closest RTD bus stop to the ECON building on the airport (AB) route is at Broadway and Euclid. This stop, the ECON building, and “The Sink” restaurant are located on what’s called “The Hill” in Boulder, all easy walking distance from each other. Other city buses run up and down Broadway regularly. The best “hill” stop going up the hill (south) from downtown or hotel is Broadway and College. The best “hill” stop going down the hill (north) towards downtown is Broadway and Euclid.

The closest stop to your hotel is the Downtown Boulder Station – about a 6-minute walk.
