

1.D

- In our department, these courses are worth three credits. Elective courses at other institutions that transfer to the University of Colorado Boulder as less than 2.7 credits are not equivalent to our courses and will not be accepted.
- In our department, 3000-level elective courses have prerequisites of Principles of Microeconomics, Principles of Macroeconomics or both. Courses at other institutions must have the same prerequisites in order to qualify for 3000-level elective transfer credit. It is the student's responsibility to provide documentation verifying that these prerequisites apply to the course for which credit is requested.
