## Spring 2020 Virtual Drop-In Tutorial Lab

The Department of Economics provides a free drop-in tutorial lab for undergraduates enrolled in Economics courses at CU Boulder. Due to the current special circumstances, the lab will operate through Zoom meetings. If you need help using Zoom, please see: <https://oit.colorado.edu/services/conferencing-services/web-conferencing-zoom>.

The tutors are undergraduate students and are all available to help with ECON 1078, 1088, 2010, 2020, 3070, 3080 and 3818 and some upper-level courses. Upper-level courses the tutors have taken are listed with their names, but keep in mind they may have had a different instructor for those classes. Times and tutors are listed along with a Zoom link.
