

Spring 2025 Drop-In Tutorial Lab

January 21–May 1, 2025

The Department of Economics provides a **free** drop-in tutorial lab for undergraduates enrolled in Economics courses at CU Boulder. The lab is located in the basement of the Economics Building in Econ 12. The lab will operate from January 21st, 2025, through the last day of classes, May 1st, 2025. Please note that the lab does **not** operate during finals (the tutors have finals too).

The tutors are undergraduate and graduate students and are all available to help with ECON 1078, 1088, 2010, 2020, 3070, 3080 and 3818 and some upper-level courses. **The undergrad {u} tutors can help with upper-level courses they have taken but keep in mind they may have had a different professor for those classes. The grad {g} tutors can generally help with all classes given you take your notes and texts with you and give them time to go through them.**

Please do not contact these people about private tutoring—that is a different list (which can be found on the department website).
