

Biological Science Course Options:

- ANTH 2010: Introduction to Biological Anthropology 1
- ANTH 3000: Primate Behavior
- ANTH 3010: The Human Animal
- EBIO 1030: Biology: A Human Approach 1
- EBIO 1210: General Biology 1
- EBIO 3180: Global Ecology
- IPHY 2420: Nutrition for Health and Performance
- IPHY 3660: Dynamics of Motor Learning
- MCDB 1030: Introduction to Molecular Biology
- MCDB 1150: Introduction to Cellular and Molecular Biology
- MCDB 3150: Biology of the Cancer Cell
- PSYC 2012: Biological Psychology
- SLHS 2010: Science of Human Communication
