

## 2022-2023 EDSG board positions and how to run

Environmental Design Student Government (EDSG) is the elected governing body of the students in the Program of Environmental Design. EDSG works as a liaison between the student groups of ENVD and holds events for the entirety of the ENVD student population. They also serve as the representatives of student voice to the administrations of both ENVD and CU Boulder.

### Positions available:

#### President

- schedule and conduct meetings
- organize and oversee all events
- communicate with administration and relay all information to EDSG members

#### Vice President

- assist the president in the overseeing of events
- responsible for event scheduling and room reservations

#### Secretary

- record details of meetings
- write necessary reports on administrative decisions

#### Marketer

- create, posters, flyers, and other advertisements for upcoming EDSG events
- operate EDSG social media

#### Representatives

- there will be one representative for each grade level in ENVD: Freshmen, Sophomore, Junior, and Senior.
- Representatives are responsible for making announcements in their classes about upcoming EDSG events.
- Representatives will represent their respective classes and convey the views of the students they represent to both the board and the administration.

#### General members

- attend weekly meetings and events to give input and help with event set up and tear down
