Spring Summer Fall

Brief description of Your Organization:

Since 2006, Garden to Table has been committed to using experiential gardens as a teaching tool to educate children about the benefits of healthy eating and environmental stewardship. Our vision is to unite people around a shared goal of creating healthier children, schools, communities and the planet. We currently partner with 16 local elementary schools to provide them with tools and resources to successfully have a school garden program.

Describe the nature/goals of the project(s):

This internship program will focus on supporting our schools and staff by assisting in the maintenance of our partnering school gardens, including but not limited to: planting, irrigation work, weeding, generating volunteer support for lessons, assisting with larger upkeep and new garden builds, assisting with integrated pest management applications, promoting, set up, and clean up at fundraising events, donation assistance to local food banks and achieving food security goals, assisting parent volunteers before, during, and after school lessons, and promoting of program and mission through marketing and online platforms

Please list required and/or desired skills and qualifications:

- Possess a valid Colorado driver's license and regular access to a vehicle (mileage reimbursed)
- Able to pass BVSD background check (Raptor)
- A commitment to Garden To Table's mission, vision, and values
