Brief description of Your Organization:

Global Greengrants Fund believes solutions to environmental harm and social injustice come from people whose lives are most impacted. Every day, our global network of people on the frontlines and donors comes together to support communities to protect their ways of life and our planet. Because when local people have a say in the health of their food, water, and resources, they are forces for change.

Describe the nature/goals of the project(s):

Global Greengrants Fund mobilizes resources for communities worldwide to protect our shared planet and work toward a more equitable world. Our vision is to achieve global environmental justice, rooted in cultural integrity, led by communities and grassroots movements.
